\*Stratos Wealth Partners, Ltd., an SEC Registered Investment Advisor, manages over \$8.7 billion in advisory assets, and advises through LPL Financial, over \$6.7 billion in brokerage and third party managed assets for a total of \$15.4 billion as of September 30, 2022. The rankings are based on data provided by individual advisors and their firms. Advisor data is confirmed via regulatory databases, cross-checks with securities firms and conversations with individual advisors. The formula Barron's uses to rank advisors is proprietary. It has three major components: assets, managed, revenue produced and quality of practice. Investment returns are not a component of the rankings because an advisor's returns are dictated largely by the risk tolerance of Clients. The quality-of-practice component includes an evaluation of each advisor's regulatory record.

Securities offered through LPL Financial, member FINRA/SIPC. Investment advice offered through Stratos Wealth Partners, a registered investment advisor and a separate entity from LPL Financial. All entities are separate and not affiliated with LPL Financial.
